F5 - Soccer Table

**CAUTION! CAREFULLY READING AND KEEPING THE OPERATING INSTRUCTIONS BEFORE USE.
NOT SUITABLE FOR CHILDREN BELOW THE AGE OF 3, AS THERE IS A CHOKING HAZARD FROM SWALLOW ABLE
SMALL BALLS.**

Congratulations! You have bought a first quality table. It is an indoor table: please assemble it and use it indoors only.

ASSEMBLY AND DISMANTLING MUST ONLY BE CARRIED OUT BY ADULTS.

IMPORTANT: Once assembled your table is quite wide and may not fit through your doors. For this reason you should assemble it in the room you intend it to be used. Should you wish to move your table to another room, it might be necessary to remove its legs.

This table set is only designed for private use. For commercial use, the warranty loses its validity. Please use this game exclusively for its intended purpose.

In order to ensure its long life and continued playing appeal, we recommend that you follow the simple instructions below:

- (1) Your table has been manufactured for indoor playing: do not leave it outdoors. Rain, snow and high humidity may damage its materials. Prolonged exposure to the sun is to be avoided too, due to its ultraviolet effects which will ruin the colours.
- (2) Clean your table periodically. It is sufficient to wipe its surfaces using a damp cloth. For a deeper cleaning you can use any household detergent which does not contain wax or abrasives. Should you wish to furtherly improve bars smoothness, only employ a good quality silicone spray. Please be careful not to use any vegetal or any other type of grease or you run the risk of attracting dirt.
- (3) Should you pass on the table set to another person, please make sure that this person is aware of the assembly and user instructions.
- (4) Always place the table set on even and stable surfaces.
- (5) Before each use, check that all parts are functioning correctly and do not use the table set if that is not the case.
- (6) Always place a protective layer (cardboard or carpet) under the table legs to protect your floors.
- (7) **CAUTION:** To avoid any problems in the assembly or fastening of the table legs, first screw on all of the legs loosely at the same time and only tighten them later.

**GARLANDO DOES NOT ACCEPT ANY RESPONSIBILITY FOR DAMAGES RESULTING FROM DISREGARDING THESE INSTRUCTIONS.
SUBJECT TO COLOUR CHANGES AND TECHNICAL CHANGES. PLEASE KEEP THIS PACKAGING FOR POSSIBLE FUTURE
CORRESPONDENCE.**
